MMHA GOLF OUTING RAISES \$10K FOR BALTIMORE HOMELESS VETERANS

PHOTOS BY GIOVANNI MEDORO, MMHA

The Maryland Multi-Housing Association hit the links June 7 at Mountain Branch Golf Club in Joppa for its 21st annual golf tournament and raised \$10,000 for The Baltimore Station, a residential treatment program supporting veterans and others transitioning from homelessness and substance use to self-sufficiency. The outing brought together MMHA's member businesses and organizations, as well as residents from the communities they serve. Attend-

ees enjoyed delicious food, cocktails, raffles and 18 holes of golf as 144 golfers enjoyed a round on beautiful fairways. MMHA was the The Baltimore Station's first "Friend of The Station," an honor that recognizes individual donors, businesses and other partners that have committed the highest level of financial support. MMHA serves as a sponsor of The Baltimore Station's two largest fundraising events — Homerun for Recovery and Stars, Stripes & Chow Chili Cookoff Edition

— and volunteers at a variety of activities throughout the year. Both MMHA's staff and its members, which include many of Maryland's residential housing providers (apartment communities) and companies that supply goods and services to the multi-housing industry, routinely get involved at The Baltimore Station to help serve meals, provide maintenance services, and seek out job training and placement opportunities for the veterans and other residents.
